A MESSAGE TO OUR MEMBERS

Welcome to the 152nd Session of the Delaware General Assembly. We are glad to see the return of past office holders and staff and welcome all new members to their public service duties.

Founded in 1837, the Delaware State Chamber of Commerce has a long history as the unified voice for business with a mission to promote an economic climate that enables businesses of all sizes and types to become more competitive. Put simply, we are uniquely positioned to bring people together to solve problems, create jobs, promote business, and improve the quality of life for all Delawareans. Our members share a vision for the state—to make Delaware a place where employees and employers can succeed and grow. We stand ready to work with you in that important endeavor.

This year, we usher in a digital version of this Legislative Roster via a mobile app. As changes occur throughout session, this version will be continuously updated. Another new feature in the 2023-2024 roster is the inclusion of social media handles for elected officials. All of us understand the importance of staying connected, so we gathered and placed these points of contact for your ready use.

Michael J. Quaranta

President, Delaware State Chamber of Commerce

Tyler Micik

Director, Public Policy & Government Relations

Tyler joined the State Chamber in 2020 as manager of public policy and government relations and was promoted to director in 2023. He works in coordination with the organization’s lobbyists, covering legislative and regulatory issues concerning the business community and developing policy that positions Delaware employers and their employees for success. He also manages the State Chamber’s policy

committees, which help determine and define the organization’s policy efforts. Tyler interned with the Chamber in 2019 while attending graduate school at the University of Delaware where he received his M.A. in Communications. Prior to that, he received his B.A. in Communications from the University of Pittsburgh – Johnstown.

How a Bill Becomes a Law

1. **Introduction:** A preprinted bill is filed by any legislative sponsor(s) with the Chief Clerk (House) or the Secretary (Senate).
2. **First Reading:** The bill is dated and numbered the day it is first “read in” by title and is immediately assigned to a committee by the presiding officer.
3. **Committee Action:** The chairperson of the committee to which the bill is assigned may call for public hearings on the bill.
4. **Committee Report:** A majority of the committee members must “sign-out” a bill, reporting it favorable (F), unfavorable (U), or on its merits (M). This report is considered a second reading.
5. **Agenda:** The sponsor of a reported bill or its floor manager (usually the committee chairperson in the second chamber) has the bill placed on the agenda for action by the full chamber.
6. **Floor Action:** The sponsor of floor manager requests final consideration of the bill by full chamber. The bill receives third reading, after which it may be amended, passed, defeated, or tabled.
 - a. Steps one through six are repeated in second chamber. The bill must pass both chambers in identical form.
7. **Executive Action:** The Governor may sign, veto, or permit the bill to become law without signature under certain conditions.
